

DIESEL GENERATOR SET

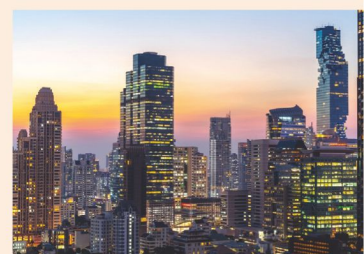

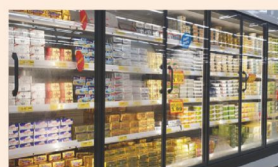

POWERING THE DREAMS OF THE NATION

Ashok Leyland- USD 4.5 billion company with 75 years of legacy, footprint across 50 companies is one of the most fully integrated manufacturing companies of the globe.

Ashok Leyland, the flagship of the Hinduja group having headquarter in Chennai is the 2nd largest manufacturer of commercial vehicles in India, 4th largest manufacturer of buses in the world, 19th largest manufacturer of trucks with 52863 touch points. The company now has a service center every 75 kilometres on all major highways.

With the largest fleet of logistics vehicles deployed in the Indian Army and significant partnership with armed forces across the globe, Ashok Leyland vehicles for defence and special applications helps Ashok Leyland engines hold 85% market in agriculture and marine segment.

HINDUJA GROUP

ABOUT US

SUPER SERVE E-MECH PVT LTD is a distinguished Sourcing, Selling and Service Company specializing in the procurement of electrical power solutions for discerning customers. As an authorized channel partner of renowned ASHOK LEYLAND's diesel generator sets' OEM, RAMP, we oversee every aspect from selection to execution to maintenance.

Our expertise encompasses a comprehensive range of installation services for D.G. Sets, including earthing, cabling, exhaust piping, hot air ducting, loading, unloading, shifting, repairs, servicing, AMC, and Auto Mains Failure Operation.

Founded and led by entrepreneurs with extensive industry knowledge and management acumen, our company operates under the guidance of seasoned professionals. Over nearly 3.5 decades, we have secured contracts with prestigious clients, owing to our customer-centric approach, timely execution, commitment to delivering quality products and unmatched after-sales service. Across various industries!

In addition to diesel generator sets, we also specialize in other essential products such as stabilizers, UPS systems, refurbished used D.G. sets, and electrical panels. Leveraging our technical expertise and competitive pricing, we ensure our clients receive top-quality solutions tailored to their specific requirements.
