

LEYPPOWER
POWERING YOUR NEEDS

SEAMLESS POWER FOR UNSTOPPABLE DREAMS

LEYPPOWER DIESEL GENERATORS 15 kVA TO 250 kVA

Powered by Reliable, Rugged & Robust engines | Best-in-class fluid efficiency | Longest oil change interval

- Single POC for engine, alternator, panel and installation
- Max functionality at better TCO
- Silent operations
- Extended oil change interval
- Bold and vibrant design
- Compact size

Proven EGR Technology

Optimised DOC & SCR STRATEGY

Experience top-tier performance with minimal fluid consumption with our new CPCB IV+ DG set range that gives you unmatched productivity and reliability.

Ashok Leyland, a trusted brand in power solutions is now geared up to power your needs sustainably with the all new CPCB IV+ Diesel Gensets ranging from 15 kVA to 250 kVA.

These elegantly designed, silent Diesel Gensets meet the most rigorous emission norms and are available through our extensive network across India.

Ashok Leyland provides comprehensive Powergen solutions, encompassing Genset transportation, loading/unloading, positioning, and installation, covering, earthing, cabling, exhaust piping, room treatment, and obtaining approvals from relevant authorities* including CAMC.

We, at Ashok Leyland, take pride in having powered over 300,000 diesel generators in the last decade for diverse applications such as infrastructure, retail chains, rental, banks, hospitals, petroleum retail outlets, industries, hotels & resorts, educational institutions and others.

ENGINE	Continuous duty application at 100% load - 24x7	Superior block loading capability	Common rail fuel injection system for enhanced fuel efficiency	Optimum power to weight ratio	Optimised SCR strategy for lesser Adblue consumption	Reduced noise and vibration*
SERVICE	Nationwide service network	Round the clock 24x7 assistance	220+ touchpoints PAN India	Easy serviceability	Ease of parts availability	Comprehensive AMCs
IOT & TELEMATICS	Know your Genset	Monitor performance from anywhere	Schedule DG service visits	Immediate fault diagnosis	Generates prompt alerts	

NEW AGE POWER. AGE OLD TRUST

Power your needs with the state-of-the-art Diesel Gensets from Ashok Leyland

SUPER SERVE
E-MECH PVT. LTD.

Company Profile

SUPER SERVE E-MECH PVT LTD is a distinguished Sourcing, Selling and Service Company specializing in the procurement of electrical power solutions for discerning customers. As an authorized channel partner of renowned **ASHOK LEYLAND's** diesel generator sets. we oversee every aspect from selection to execution to maintenance.

In addition to diesel generator sets, we also specialize in other essential products such as stabilizers, electrical panels, Auto Transfer Switch(ATS), led lights, UPS systems etc. Leveraging our technical expertise of nearly 3.5 decades and competitive pricing, we ensure our clients receive top-quality solutions tailored to their specific requirements.

ASHOK LEYLAND - USD 4.5 billion company with 75 years of legacy, footprint across 50 countries is one of the most fully integrated manufacturing companies of the globe. Ashok leyland, the flagship of the Hinduja group is the 2nd largest manufacturer of commercial vehicles in india.

With the largest fleet of logistics vehicles deployed in the Indian Army and significant partnership with armed forces across the globe, Ashok Leyland vehicles for defence and special applications helps Ashok Leyland engines hold 85% market in agriculture and marine segment.

Our Other Products & Services:

PANELS | Auto Transfer Switch (ATS) | STABILIZERS

Power Flow Management

Electrical Control Panel

Customised Auto Transfer Switch (ATS - 63 to 1600 AMP)

- With enclosure, LED lights and extended busbar for cable termination

- Also available in open execution

Voltage Stabilizer

Servo | Static

- Higher Voltage Correction Speed
- Less Maintenance
- Reliable
- Auto By-Pass Facility
- Low Weight And Compact Sizes
- Silent Operations

Product Range

- Servo Voltage Stabilizer
- Ultra Isolation Transformers
- Static Voltage Stabilizer

Available in Air Cooled / Oil Cooled Version

LED Lights

All types: Pole, Parking, Bollard, Halazone and Others

Services

DG set installation

Repairing

Service

AMC
(Annual Maintenance Contract for DG SET)

All kind of infra related complete electrical work

Diesel Generator Set | Stabilizer | Electrical Panel | LED Lights | Electrical Cable
Auto Transfer Switch (ATS) UPS | Inverter | Repairing, Installation & Maintenance (DG SET)
